2027 SPONSORSHIP OPPORTUNITIES

Annual Language of LOVE Telethon — Unconditional LOVE Concert • June 20, 2027 - Fair Lawn Community Center

RenéMarie Language of Love Foundation Inc. invites you to become a valued sponsor of our Annual Language of LOVE Telethon — Unconditional Love Concert: Rhythm of Hope. This uplifting event brings music, education, advocacy, storytelling, and community together to increase awareness of stroke and aphasia while raising funds to help make a meaningful difference in the lives of survivors and families.

At the heart of our mission is a commitment to support stroke and aphasia family members throughout recovery—including those whose insurance coverage has ended. We believe insurance laws or money should never determine whether someone has the opportunity to continue receiving support, care, encouragement, and hope.

Our long-term vision is to build, through LOVE and brick by brick, a recovery center where stroke and aphasia family members can focus on what matters most: receiving LOVE and RECOVERING.

Your sponsorship does more than place your name in front of an audience—it places your organization beside a mission of love, awareness, dignity, recovery, and hope.

Contributions are tax deductible to the extent allowed by law.
